it would be cool to be able to opt out of being on lists. Seems simple and nice to be able to have some say. Please, @twitter?	7/7/2020 2:42
So what I've learned is the "lists" feature is mostly used for targeted harassment. Mine is like 99% insanely mean. Surely twitter can block certain words from being used in these lists? Holy shit.	7/7/2020 2:20
Oh my god I'm scared to even look.	7/7/2020 2:09

I I very publicly forgave Alison and that was real. When I said I don't believe in being cancelled for your honest opinion, that was very real. I don't agree with what the NYT has done, I am not them. I didn't call them, I didn't write, and most of all, I'd like her back.	5/20/2020 16:04
@fitziest We are completely useless blobs for an entire year	5/20/2020 5:09
@BartokianN Alright I will believe you in that, as it is easy. But I very publicly forgave her and am getting very much blamed for her leave. And you have a lot to say on your timeline about me. Which is fine. I'm really tired.	5/20/2020 5:00
@BartokianN And no, it's not mean. I read way worse, all day every day. I get the joke. Get him fired by him saying something "mildly mean" to me, got it. Everything my fault.	5/20/2020 4:48
@BartokianN I'm referring to your entire timeline.	5/20/2020 4:40
@BobbayMack @rock_hawk @Olivianuzzi @bariweiss @alisoneroman you idiots think everything is "pr" because you heard it said on entourage once. shut up, already.	5/20/2020 4:40

@AMPS_APPLE

@BartokianN How long are you going to keep dragging this out and yet telling people “who cares”? You. You care. A lot. Move on with your life, let the people involved handle it.	5/20/2020 4:37
@BartokianN @OrneryPiglett I know it’s hard to imagine but not everything is handled on Twitter to entertain you. This is real life shit, and I’m doing what I can, in real life.	5/20/2020 1:03

@CAMPS_APPLE

and if anyone needs a lesson on how less is more, please look at the amazing Marie Kondo, who so very wisely didn't say shit through any of this.	5/11/2020 21:24
and if anyone is wondering why someone with 12 million followers would go private, it's because there are still a LOT of people who don't follow me who hate me, and I didn't want to see it. that's all.	5/11/2020 21:22
And honestly, for the past few days, every time I saw a shallot I wanted to cry, but I do appreciate this and hopefully we can all be better and learn from the dumb shit we have all said and done.	5/11/2020 21:21
I still think you are incredibly talented. And in an industry that doesn't really lend itself to supporting more than a handful of people at a time, I feel like all we have are each other!	5/11/2020 21:21
I often comment about how I wish I could get away with what I used to, now, but the truth is, I don't. I've learned a fuckton from my years being watched (& read) and I can really say it makes you a better person! It makes u think about the impact of what u say/who it might hurt	5/11/2020 21:21
Oh! but how I still think some of those things. I just maybe don't unleash on my peers on super public platforms lol.	5/11/2020 21:20
Eventually, I realized that once the relatable "snarky girl who didn't care" became a pretty successful cookbook author and had more power in the industry, I couldn't just say whatever the fuck I wanted. The more we grow, the more we get those wakeup calls.	5/11/2020 21:19
I think we are alike in so many ways. I remember the exact time I realized I wasn't allowed to say whatever popped in my head-that I couldn't just say things in the way that so many of my friends were saying. Before, I never really knew where I stood in the industry, in the world	5/11/2020 21:19
I don't agree with the pile-on, ppl waiting with bated breath for apologies, deciding if that apology is good, the ppl who say u were right & never needed to in the first place - there are so many different types in this kind of situation & tbh, I just want it to be over	5/11/2020 21:18
thank u for this, @alisoneroman. To be clear, it never once crossed my mind for u to apologize for what you genuinely thought! The comments stung, but they moreso stung because they came from u! It wasn't my usual news break of some random person hating everything about me!	5/11/2020 21:17
I have too much to say and no room	5/11/2020 21:16

whoops haven't tweeted for so long	5/11/2020 21:14
This is what always happens. The first day, a ton of support, then the next, 1 million reasons as to why you deserved this. It never fails.	5/10/2020 15:20
I really hate what this drama has caused this week. Calling my kids Petri dish babies or making up flight manifests with my name on them to “Epstein island”, to justify someone else’s disdain with me seems gross to me so I’m gonna take a little break.	5/10/2020 15:19
well done on both the bread and the butter!	5/10/2020 14:42

@I_archer It helped me through mine as well! That's why all of this started. And prob why it hurts so much. I do this because it makes you annnnd me happy.	5/8/2020 20:26
@andyroddick I tried to read this to john and had to stop to cry one sentence in	5/8/2020 20:05
anyhow. now that that's out there, I guess we should probably unfollow each other @alisoneroman	5/8/2020 19:59
It has been crappy to deal with this all day but I couldn't not say something. I know the actual tears I put into the work I do and it's really hard to see someone try to completely invalidate it. Someone I really liked.	5/8/2020 19:50
I don't think I've ever been so bummed out by the words of a fellow food-lover. I just had no idea I was perceived that way, by her especially. And Marie, too. Marie is awesome.	5/8/2020 19:48
I genuinely loved everything about Alison. Was jealous she got to have a book with food on the cover instead of a face!! I've made countless NYT recipes she's created, posting along the way.	5/8/2020 19:47
to see that thing in my hand being used by people around the world makes me so happy. Watching a company grow makes me happy. I get joy from it and lots of people do.	5/8/2020 19:45
I didn't "sell out" by making my dreams come true. To have a cookware line, to get to be a part of that process start to finish, to see something go from sketch to in my hands, I love that.	5/8/2020 19:43
I started cravings because I wanted something for myself. I wanted something John didn't buy, I wanted something to do that calmed me, made me happy and made others happy, too. Cravings isn't a "machine" or "farmed content" - it's me and 2 other women.	5/8/2020 19:43
this is a huge bummer and hit me hard. I have made her recipes for years now, bought the cookbooks, supported her on social and praised her in interviews. I even signed on to executive produce the very show she talks about doing in this article. https://t.co/9xrvQBInAp	5/8/2020 19:41

@donnafromtheroc @johnlegend What on earth is this lol	5/3/2020 19:26
Love island has evolved so much since the early days. No more chain smoking or drunken cries. Or sex! They seem much more aware that they are, indeed, on tv	5/3/2020 19:04

@life0fStacy13 @hannahjpy @MattOswaltVA I had tiny bumps all over, almost to the point of bleeding. I used cortisone for a couple days to heal, then put this gel on it which can be very drying but man it did the job quickly! sorry you are still on this matt lol	4/22/2020 13:45
@life0fStacy13 @hannahjpy @MattOswaltVA my skin has been shit garbage most of quarantine, especially around my mouth, which I have also documented. I found a gel in the back of my medicine cabinet that just healed everything though. Clindamycin (ask your doctor)	4/22/2020 13:41

@RetepAdam @JohnnyNBA I think it's hard as a fan to even see that something so major could not be known by absolutely everyone so I get it. I'm laughing at myself cause I literally ignored something for 22 years	4/22/2020 1:09
@JohnnyNBA I know most people know! But I didn't because I didn't keep up! I'm glad you all enjoy the story. I enjoyed the story AND THE SHORT LIVED MYSTERY. All good I know you're good!	4/22/2020 1:08
@RyleePatt @JohnnyNBA Because it's really so dumb and it is so long ago, that's why I acknowledged it was still kind of fun and mysterious for me. But no. There goes that!	4/22/2020 1:07

The only thing to get me to not eat this burrito i ordered is to offer me something I pretend is healthy, honey roasted peanuts. How many handfuls of HRPs could I have if I replaced my unhealthy steak burrito (rice beans avo sour cream) it would have to be at least 6 to consider	4/21/2020 1:53

@LAMPS_APPLE

@NykyBailey @prosediva @jeditigger I don’t like cornstarch as a thickener. I’d rather add potato and get those bites. And I cook it much longer on a lower temp. Guys. There are different ways to skin a cat (not cat)	4/20/2020 1:32
@NykyBailey @prosediva @jeditigger It’s got nothing to do with the dumplings. It’s a 3 hour recipe, the chicken is browned first. I could add heavy cream to make it lighter, but I don’t want to as I just had pot pie. Why is your way the only way lol	4/20/2020 1:28
@NykyBailey @TheKalenAllen @johnlegend sigh. gumbo is a completely different recipe with. soup color is not the difference between gumbo and chicken n dumplings	4/20/2020 0:29
@runawaytonight @TheKalenAllen some have a cream base and some don’t. Doesn’t mean it isn’t chicken and dumplings	4/20/2020 0:17

@tattoosandbones @gingerrtwit I'm sad this is our first interaction but I promise, I hear you and get it. take care as well!!	3/15/2020 15:38

@_cgonz 😩 want to cry	3/15/2020 14:52
@tattoosandbones @gingerrtwit I HAVE done those things, though. I've done those things too. And more. I promise you I am not bad??	3/15/2020 14:38
@tattoosandbones @gingerrtwit you have been going in on me for hours about this. To anyone saying anything. I acknowledged it was tone deaf. It's so frustrating to not be able to say anything, anything. I'm so tired, man. I don't know what to do right aside from say nothing, ever	3/15/2020 14:36
@tattoosandbones @gingerrtwit I am bored, at home, wanted some comfort. thought I would share because it seems cool to support these places that need it. It's not deeper than that. you really want me to be horrible	3/15/2020 14:25
@tattoosandbones @gingerrtwit would you like my fucking arm?	3/15/2020 14:22
https://t.co/SIZEuMGD2b	3/15/2020 14:19
@Catheri51049994 @tattoosandbones Yeah. I own them. I hate upsetting people.	3/15/2020 14:14
@tattoosandbones I have no ill intentions and I dunno why people want to think I mean harm with everything I say. I really wish I could make everyone happy, I do.	3/15/2020 14:07
@tattoosandbones it IS just soup. I can't make everyone happy, I've really tried. why am I not allowed to make a boring, earnest tweet about something I enjoy that some others can too?	3/15/2020 14:05

@LAMPS_APPLE

tomorrow is national artichoke heart day! but eat the leaves too or people will get pissed trust me on this one	3/15/2020 12:07
it was a ride. I didn't mean it to sound like I don't care about the pandemic? it was tweeted quite innocently, perhaps tone deaf but I like soup and if you can support these businesses, then that seemed cool but yeah if you can't, then that is also fine, I am not shaming you	3/15/2020 12:05
@msmollyboston @tattoosandbones the site is full of small businesses that have closed their restaurant doors but still deliver from the kitchens to support the staff to keep them having an income but yes, not everyone can afford it I got it.	3/15/2020 12:02

@johnlegend u are a fuckin stupid idiot	3/5/2020 1:14
He said well I like it like this. I said well "this" is not a milk shake. It needs to be smooth and whipped with a machine. It's like saying I love lasagna without noodles, this is how I prefer it. Cool but that's not lasagna	3/5/2020 1:07
John just made me a milkshake without a machine. Like used a spoon to stir it fast? I told him this was wrong. It's wrong right? It's nice I got a milkshake but it's also terrible, a terribly done milkshake?	3/5/2020 1:05
@yashar we had to both buy and fast forward the entire movie for this tweet	3/4/2020 23:39

@LAMPS_APPLE

I like the millions of interpretations and the guessing game and the passion around it. I don't really like movies that don't start arguments.	2/10/2020 22:04
@nealbrennan this all reminds me of michael and Oscar fighting on the office about China and michael shuts it all down by saying it's an honor we can even have this conversation so I just wanna be Michael here and say conversation about this movie is my favorite part about it.	2/10/2020 22:02
I'm sorry. I got caught up in the heat of the moment and didn't stop to think that the broom thing makes you happy, and that makes me happy. U may send me your brooms and again I apologize	2/10/2020 21:43
don't send me your dumb brooms i don't care. we've confirmed it works, and sometimes it doesn't, and I don't care	2/10/2020 21:10
I have a thai broom. It does not balance	2/10/2020 21:04

Next, it's time to use your power up to get on FaceTime with someone's daughter. They will be a huge fan!!! U must be very excited or they will tweet u. Finally, u have met the head boss. Someone u do not recognize but must remember them. This conversation will be 18 mins long	2/10/2020 19:47
The tasks: coveted mark seliger photo shoot. Everyone wants to do this and not everyone can. This is a fun task. Then u must enter the tomb of lasers and dance for a video. Then u must either stomp on the heads of the two social media pp or succumb to their demands. 1/773	2/10/2020 19:45
the vanity fair party is of course the best and most coveted official post Oscar party, but u must complete or dodge 5 tasks before actually seeing the party or i assume you just go missing	2/10/2020 19:41
@exavierpope wait I thought a hot girl was just a hot girl	2/10/2020 19:37

@juliaabeach I think she probably joked with friends about giving xanax to her daughter and called it zanny the nanny since it would put her to sleep. then might have done it one day, and accidentally killed her. but yeah these are just my random thoughts. horrible no matter what.	1/26/2020 1:50

@jillybobww !!!	1/26/2020 1:18
I think the reason I don't go out very much is because it leaves less room for me to feel bad about something I said or did the next day. You can't be annoying or dumb if no one ever gets to hang out with you!! These are my tips. Yes I've seen therapists why do you ask	1/26/2020 1:15
@theshirarose Don't feel sad. It's my own choice. it's not really meant to be a diet culture thing. I could easily find a dress that fits. But I hate fittings and found one I loved quick, there's just...only one.	1/26/2020 0:49

@kieferalan93 @DippinDots @jameyaccount @DFLEISCHERCAMP Just giving you a company perspective! But I very much also think everyone in the world deserves free ice cream	1/24/2020 14:07

@LAMBS_APPLE

@kieferalan93 @DippinDots @jameyaccount @DFLEISCHERCAMP hear this a lot and I know it really seems like that and you are very right but companies know I'll post or talk about it and for an actual commercial I'd normally get very paid to do, they get it for free because it's literally just a tub of ice cream or a silly hot sauce bottle	1/24/2020 14:06
@houseofsnarks The were just...so dry	1/24/2020 13:58

@kandykornkiller Sorry I didn't mean for that to sound like me me me, I just meant that I'm not the best person to ask on how to keep it together!	1/20/2020 23:52
@kandykornkiller I wish I did but I'm struggling, too. Be happy for every step! It all starts with a first day, a first week. I think we just gotta realize how much better things are when we are present. You got this. Life is too short. ♡	1/20/2020 23:42

John went to Nigeria for a couple days and I thought about going, purely to find Michael from 90 days, but...the enchilada has rendered me useless	1/19/2020 19:55
@BromoSouthern @DrJenGunter it kind sucks that I got so impassioned about this when it was a simple bone broth tweet but it really comes from a place of everyone right now discrediting anything they can and it hurts my feels as a crazy person willing to love anything that makes me feel good!	1/19/2020 19:44
I love the sag awards. Everyone gets to wear their 3rd favorite dress	1/19/2020 19:36

grammy's in one week. should i go or will my body continue rejecting the enchilada I ate days ago	1/19/2020 19:33
@BromoSouthern @DrJenGunter ...I don't think so but maybe. But it's not just about this. I'm venting!	1/19/2020 19:29
@DrJenGunter anyhoo. I know you're the doc. I'm just the patient. I have no stake in selling these things that make me feel better. It just hurts to be told you're wrong or crazy or naive when something so small made my life exponentially better. Everyone should have that feeling.	1/19/2020 19:27

@LAWPS_APPLE

@DrJenGunter Someone would grab my hand, I bruised. My blood was thin and weak. I needed that fat, that marrow, that hot feeling of relief and comfort to sleep! Could I have eaten a steak? I didn't have the energy	1/19/2020 19:23
@DrJenGunter Bur back to your original topic: most broths suck and are capitalizing on the trend. But it hasn't been a trend for many people around the world, it's a common way of healing and life (especially asia) - I remember waking up just trembling, bruised from even the gentlest hugs	1/19/2020 19:21
@DrJenGunter if some stupid thing I buy makes *me* not want to jump off a building that day, I considered that a win.	1/19/2020 19:13
@DrJenGunter Mentally, it was lexapro. And my time doing silly things that gave me a moment to be calm and reflect. Things you find incredibly stupid. But things that worked for me. Because this mental health thing isn't just about studies. Human beings need nurture and care and healing	1/19/2020 19:12
@DrJenGunter Real bone broth is rich with marrow and deep flavor. Chicken stock is...water. When i was suffering horribly from post partum depression, I was covered in bruises, had no energy and no ability to sleep. I attribute much of the physical aspect of getting better to bone broth.	1/19/2020 19:10
@duckbytheoboe @thomas_violence @_MatthewE yes and the tomato explosion https://t.co/FD3itLaLYZ	1/19/2020 4:10
@theman_brai That's why I got two bulldogs	1/19/2020 4:08
@1girl_1Dream @KaitlynFregoso yea maybe it's the eggs lol	1/19/2020 4:01
@KaitlynFregoso I wake up for at least a half an hour like 4 times a night	1/19/2020 4:00
I can't sleep without being overly full. I take two hard boiled eggs to bed every night and eat them when I randomly wake up. It used to be beef jerky but I'd wake up too puffy	1/19/2020 3:57
@thomas_violence @_MatthewE oh but I love this, it's my happy treat when I go. beans at 9am is special for me	1/19/2020 3:38
each night before bed, as I eat my night eggs, if I'm not not on the Twitter, I catch up on my favorite subreddits: choosingbeggars, amitheasshole (AITA) and thathappened. I enjoy these very much and learn a lot about...humans	1/19/2020 3:35
@joshgondelman one time a girlfriend and I sent him a drink and he sent us his entirely eaten plate of food	1/19/2020 2:33

@KT3378 Yeah even regular ass rich people vacation yachts are eaaaaaasy 250,000 for a few days with like 4 bedrooms. It's insane	1/19/2020 0:36
@KT3378 there are some boats that are close to 500,000 for a few days. carnival cruise gotta be like 2 million	1/19/2020 0:35
@KT3378 what?? no way it has to be more	1/19/2020 0:33
@HamasakiLaw why is everyone saying this. I literally wrote a carnival cruise ship. a yacht doesn't have restaurants and the caliber of water slide I need	1/19/2020 0:33
@bre_lana oh my god no	1/19/2020 0:30
maybe like two people. or the bartender robot from that Jennifer Lawrence movie. that's my dream	1/19/2020 0:29
what's the math here, how much would this cost	1/19/2020 0:28
my dream is to go on a carnival cruise but with literally no other people	1/19/2020 0:25
@PadmaLakshmi I remember seeing you at a party in Miami like 10 years ago. Everyone was miami decked out but you were in a long dress and barefoot with barely any makeup on, and just floating like you were on skates. I was like "that. is my hero"	1/18/2020 23:35

I started yoga this week and my first class, after giving myself some belly complaints, the instructor said "well didn't you just have a baby!?" and I said "no, like 18 months ago" and she said "that's JUST" and let me tell you, true or not I could have cried.	12/10/2019 18:59
uhhhh you're a fuckin weird ass	12/9/2019 23:53
@Stephcx93 are u okay	12/9/2019 16:35
@yashar @andylassner I literally do maybe 4 FaceTimes a year	12/9/2019 16:33

my medicine.	12/9/2019 2:32
I'm tired.	12/9/2019 2:24

@LAMPS_APPLE

It's why I hate interviews. There are so many tones to everything, and you just pray it translates well. I'm also very long winded and talk a lot. It is the longest waiting game and I hate it.	12/9/2019 2:23
Luna's name we didn't think of til 2 days after she was born. But it was about to be a red moon and the sky was incredible. I always had a different name in my mind, though. Miles came out such a miles.	12/9/2019 2:19
If there is, I don't know about it!! But I love a conspiracy theory. John still hasn't told me if he's Illuminati	12/9/2019 2:16
Lol no. I sit around thinking how everyone hates me and is mad at me and how I'm about to be cancelled	12/9/2019 2:09
I was always so nervous. I never knew what I was gonna do next. I still don't really know. But it's okay. Don't just survive. Live!	12/9/2019 2:08
I don't hide anything. I fight in cars, I fight at home, I fight at the airport. I don't care. John just won't fight back.	12/9/2019 2:04
No it's good though! And I know how stupid it sounds to even say celebrity. It's just...I dunno. It's why I love twitter so much. I can talk and connect with people without feeling weird or uncomfortable. Like you guys are really my friends.	12/9/2019 2:00
@whiskey_katie 😭	12/9/2019 1:58
@erinmargrethe I really do!!! ♡♡♡	12/9/2019 1:57
scheduling. he will tell me something he knows I didn't hear and get mad when i am confused later. "Hey I'll take Luna to school today also I'm going to Washington DC next week"	12/9/2019 1:56
Whoa very good question. I dunno, honestly. I still see things from every perspective. But I'm also highly anxious and perceptive so it's kind of hell for my own mind. But also good? I like that I can help people but my own self is kind of...stuck?	12/9/2019 1:51
Our counter is full every single day of random shit. I've thought about asking them to stop, but then I wouldn't be able to donate it.	12/9/2019 1:49
When I tweeted something from an award show that I could have said a year earlier and no one would have cared. It was about someone lip syncing. Life was never the same.	12/9/2019 1:48
@erinmargrethe I consider you one of my most long time friends!!	12/9/2019 1:46
Hey not everything is an ad? im just suggesting something cool. get it or don't.	12/9/2019 1:35
Ugh me too but I'm trying to figure out Luigi's mansion	12/9/2019 1:34

@LAMPS_APPLE

No. It was the perfect lineup of luck. I had previously known the director who would direct his video because he shot me for a billabong campaign years before. I just said yes to all the right things. Mostly everything.	12/9/2019 1:33
If you are struggling for a Christmas gift for someone, get them a barefoot dreams blanket. I use mine 365. It stretches and wraps over your shoulders and feet and nothing else compares.	12/9/2019 1:31
@ah_sakuraba you're mushy	12/9/2019 1:30
@Maaouad BOO'S is unreal awesome	12/9/2019 1:30
Two of my birthday gifts. A cheese wiz cheesesteak from Pat's and a barefoot dreams blanket 😭 https://t.co/61OwMqh37t	12/9/2019 1:23
My babies, for sure. And my cookbook. It was hard. Lol	12/9/2019 1:18
Okay that concludes today's super A List celebrity question time!! Thank you for your participation! I'm going to bed with my two eggs now	12/9/2019 0:54
Honestly no! One time I met someone who seemed stupid and mean who turned out to be stupid and mean.	12/9/2019 0:52
We ask the management of the artist but always insist on paying, since we know exactly what it's like to constantly be hit up for tickets. https://t.co/w3JUMdKDPb	12/9/2019 0:48
There were some shows that used to be impossible for me to get booked on. We would beg. I won't name them now!	12/9/2019 0:48
My only weirdo thing is buttermilk hidden valley ranch, not from the bottle and not the dip. The package, marked buttermilk	12/9/2019 0:47
A huge room of shit where publicists bring their clients to take pictures with each piece of shit	12/9/2019 0:45
We have 4 incredible people, not all at once. One will rotate and stay through the night.	12/9/2019 0:40
Def my publicist lol	12/9/2019 0:37
Yes. Rates, flights, baggage, hotel, agency fees	12/9/2019 0:34
We have a house manager who works at the house all day to handle our lives and day to day business, packages, scheduling for household staff etc	12/9/2019 0:33
Like 20 times a day	12/9/2019 0:32
I have a business accountant who handles everything and sends me summaries of my spending/income. I don't get mail.	12/9/2019 0:29
yes and then I send thank you flowers and then they send thank you for the flowers flowers and then I send thank you for the thank you for the thank you flowers	12/9/2019 0:23
yes	12/9/2019 0:21

@LAMPS_APPLE

no you start to know and have relationships with a lot of people. and I used to do them so I feel for them! it is NOT EASY	12/9/2019 0:21
luna hates them. in New York they don't really hide and they apologize when she freaks and stop photographing. here in LA, they've learned to hide more and you don't know you're being photographed. I'd rather know.	12/9/2019 0:18
BUT one time, a guy in nyc shot directly into a dressing room I was changing in. I memorized his face and still hate him.	12/9/2019 0:16
if you're nice to them, they're good to you. one time I dodged one for miles and hid in an alley. he found me. I lept from my car, shaking and crying that he had a gps on my car. he was so kind and I ended up feeling terrible. it's a job.	12/9/2019 0:16
one person on lip sync battle rubbed me in an extremely wrong way 😬	12/9/2019 0:13
@mjscheff ok what is her number	12/9/2019 0:12
payments!	12/9/2019 0:12
the bigger the celeb, the nicer. I've met a lot of borderline people who had super attitudes lol (but also a lot of shitty big celebs so I guess there is no clear path here)	12/9/2019 0:10
tell me a story about 8 years ago or ask if I remember a certain person	12/9/2019 0:07
I don't. I know they're being sweet. A lot of people touch and hug which is weird to most people but I'm also a toucher without realizing. I dunno. I'm not mad at touch but I get people who are	12/9/2019 0:03
unbelievably boring and you are pulled in 100 different directions and yelled at to sit down. the bar is never close to you and everyone is so mean to seat fillers, I dunno why anyone wants to do it	12/9/2019 0:01
Depends! Some places are notorious for beach photos and I'm super paranoid but there's nothing that can be done even if you have security. Some resorts call photogs. It sucks. But whatever it's life!	12/8/2019 23:58
you have to understand that maybe you have done this all day, but for this one person, it's their first time and they're excited.	12/8/2019 23:54
I go maybe once a month or less, only if I worked earlier and have my hair and makeup done already	12/8/2019 23:52
A lot of my best friends are people I met on the creative side. My managers and agents and hair and makeup people, I'm very close with. But I also have best friends in New York who make fun of me all the time and it's great.	12/8/2019 23:51

@LAMPS_APPLE

Yes but also I know that a lot of ours comes from being so open. So you just let security know you're okay with hugs and conversation. But my house is a fortress	12/8/2019 23:50
you do it all for the odds. 100 no's will get you one yes. and they already know what they want before you get there. you don't wanna be a part of something they don't want anyhow.	12/8/2019 23:45
yes but no one really reads their own shit. and you don't wanna bring people down. unless it's a big garbage story, then you reach out to see if they're okay	12/8/2019 23:44
a lot of people change often but mine has been the same for a long time	12/8/2019 23:36
money	12/8/2019 23:35
they could not care less	12/8/2019 23:35
sometimes I ask a publicist for someone's info to text but for the most part I don't talk to many people because I don't want them to think I'm a thirsty weirdo.	12/8/2019 23:35
@SocialCitations @luvahh805 nope! not private	12/8/2019 23:32
I say "why did I wear that" or "why did they cut it down so much"	12/8/2019 23:31
maybe 10 years or so. I uber a lot, though.	12/8/2019 23:30
very cool! or I wouldn't go there.	12/8/2019 23:29
assistant does a lot but it's funny when it's the assistant's bday and you gotta go yourself	12/8/2019 23:28
there is a terminal a mile from the airport that you pay membership for. they do the same security privately and take you to the plane in a car. I know. I know.	12/8/2019 23:27
I make reservations and don't give them the option to say no. "Hi it's Chrissy Teigen and id like to make a reservation for 2 for John legend, do you have any availability?" if you just say "hi can I make a reservation for 2?" they say no. gotta say it all at once	12/8/2019 23:25
grocery store but I still try	12/8/2019 23:24
John sets an alarm but leaves it in the bathroom while he makes the kids pancakes and I have to get up to cancel it. I get very upset.	12/8/2019 23:19
no one gives my kids nasty looks on the plane. if anything, they're creepily nice and it is crazy unfair because they are just as annoying as other kids on a plane	12/8/2019 23:18
it is good because I am comfortable but I have an awesome life and zero life all at the same time	12/8/2019 23:15
it's celebrity question asking time! Ask me, your favorite A list celebrity anything you would like to know about being a super huge A list celebrity https://t.co/ppEfNnqHB2	12/8/2019 23:13

I'd normally want some kind of potato or rice goodness under this but the Brussels sprouts were awesome and still stopped up all the sauce perfectly. ♡	11/24/2019 23:37
The Brussels sprouts are crazy easy. 1 pound shredded, tossed with olive oil and 4 cloves minced garlic, salt and pepper. Roast on 400 for 10 mins, toss, cook until brown (about 5 more mins) can also add lemon juice and Parmesan but I kept simple because of the peach bbq sauce	11/24/2019 23:35

Twitter is so much easier when you solely talk about reality shows and cooking. ANYTHING outside that, I don't think my weak mental state can take. I'll be back to military whale tweeting when I'm a stronger person	11/9/2019 14:59
@rgay I have decided that I have no idea why I say anything anymore. Nothing, nothing is without people letting me know they're better and smarter than me.	11/9/2019 14:56

@cloudy_yah @hilaryagro Completely understand and I don't ever forget people are struggling. All I can do is tangible things to help make a difference outside the twitter world. It definitely showed that I'm a bit removed and I will do better as best I can.	11/8/2019 1:15

@LAMRS_APPLE

@hilaryagro You keep saying this as if my husband and I don't do anything for society and it's really disheartening. It was a comment, a joke, a dumb one at that, that I'm sorry for. I hope we have done and continue to do things that contribute more than a dumb tweet. Again, I apologize.	11/8/2019 1:05

Oh man I haven't checked my mentions for a bit and I didn't realize how many people were super pissed off about this. It was meant as a joke (and exaggeration) about how my mom doesn't realize air pods are with a cord are headphones but it came across as super tone deaf and icky.	11/7/2019 19:48

@hcjewell this is perhaps not reading as the compliment I meant it to be lollllll I LOVE THEM is what I mean	11/6/2019 14:46

It was happening before for a while - I think posting my kid's Halloween costumes may have started it. But shit hit the fan when our flight got turned around. Which uh, had nothing to do with us, and that i literally live tweeted. Why I would "live tweet" me being a pedo, I dunno	10/24/2019 14:39
@PokerPolitics yes so imagine the INSANITY when I posted my daughter in a Halloween hot dog costume HOOOOOOOOboy it was a SIGN	10/24/2019 14:17

@LAMPS_APPLE

@AlyndaWheat yeah that has proven not to be true. I can't ignore them. They aren't trolls. They believe my husband and I traffick kids. I have pictures of them in my garage. I don't think you know the magnitude of this - it's not an "ignoring" type situation	10/24/2019 14:13

@_caitlinmaclean Well it is	10/23/2019 2:48
This is what kills me. If it were just me that got it, fine. But they leech onto every conversation, no matter the topic. They write my friends, my family, the people I follow from 90 day fiancé. What in the fuck	10/23/2019 2:44
What is your name, even?	10/23/2019 2:42
You can’t make this shit up. Unless you wrote Taken. Then I guess you could write it. Unique Q skill sets???? Guys. These people are ILL.	10/23/2019 2:37
@GPontificus @AnanyaShree9 @direct7_e @entylawyer Loving the very conscious word choices now. Didn’t put words in your mouth. Have it all here. Goodnight, sick darling.	10/23/2019 2:34
@GPontificus @AnanyaShree9 @direct7_e @entylawyer Oh so I’m also a pedo for hating the president and calling him a pussy ass bitch. that’s what it really comes down to. you wouldn’t give two fucks about any of this if I supported trump. it’s so fucking beyond odd, your delusions.	10/23/2019 2:23
@GPontificus @AnanyaShree9 @direct7_e @entylawyer Ok. Expose it already and enough with the fucking “SOON” shit so you can leave me and my family the fuck alone	10/23/2019 2:19
@GPontificus @AnanyaShree9 @direct7_e @entylawyer Now you get to talk about how crazy I am. Because you finally cracked me. Congrats.	10/23/2019 2:17
@GPontificus @AnanyaShree9 @direct7_e @entylawyer If I say so? There is really no helping you people. I’ve really tried with you. Just go now. I hope through this you’ve at least seen you’re talking to a real life breathing human being that has to read, from you and your people, that I molest fucking kids all day.	10/23/2019 2:16

@LAMPS_APPLE

@GPontificus @AnanyaShree9 @direct7_e @entylawyer I can't fucking win. And I don't want to anymore. Can you imagine being in my shoes for a minute? I have a life and a family. What you do to me is sick but I'm still aware enough to know it's not as horrible as what you think is really happening. And what IS happening.	10/23/2019 2:10
@GPontificus @AnanyaShree9 @direct7_e @entylawyer I don't understand the "Hollywood is a driving force in the market" part. I want to say that isn't true but the truth is, no one KNOWS if it's true. So I won't. My old tweets are just that and they were always in reference to something else you guys want to take out of context	10/23/2019 2:08
@seankent @AnanyaShree9 @MollyJongFast Yeah. We fucking aren't. But when you tweet it with conviction, I guess we are.	10/23/2019 2:03
@GPontificus @AnanyaShree9 @direct7_e A cop out to acknowledge it happens everywhere? What can I do to satisfy you? It seems like nothing and you know it. And what do you mean "if"? Human trafficking IS happening all around us. And the right people fucking care.	10/23/2019 2:02
@jonrosenberg SCREENSHOTTING THIS INCREDIBLY SARCASTIC TWEET IN CASE IT GETS DELETED	10/23/2019 1:52
@GPontificus @AnanyaShree9 @direct7_e this type of shit happens EVERYWHERE. right fucking next to YOU. It's ALL terrible. You think this is restricted to Hollywood?? You leave your fucking house more than I do, I promise.	10/23/2019 1:47
@dasquidnamedsyd Currently rolling in a ball in front of me!	10/23/2019 1:36
@CigarDaisy311 @seankent @AnanyaShree9 @MollyJongFast I swear to god i will do this one at a fucking time. I am so done.	10/23/2019 1:36
@AnanyaShree9 @direct7_e TELL ME. go the fuck on, by all means. Keep fucking going.	10/23/2019 1:33
@CigarDaisy311 @seankent @AnanyaShree9 @MollyJongFast All good. I know. I'm just so fucking tired of this shit. Not defending yourself doesn't work. Defending yourself doesn't work. I'd rather get to talk.	10/23/2019 1:32
@seankent @AnanyaShree9 @MollyJongFast If I go out, I take 10-20 pics with random people a day/night. I don't know what the fuck they're up to. I think I saw Harvey 3 times in 14 years, out and in public only. But they use this, over and over and over.	10/23/2019 1:29

@CAMPS_APPLE

@seankent @AnanyaShree9 @MollyJongFast “I’m sorry. We didn’t know. We wish we could take it back with what we know now” does not work for these people. this wasn’t done in secrecy. What do you want from us. It’s a photo. A 1 second in time party pic they use over and over and over to accuse us of molesting children.	10/23/2019 1:24

@laconicways Sorry you think you’ve been able to hide behind a tiger woods avi all this time. this accountability thing goes both ways. by all means, say more.	10/23/2019 0:32
@laconicways I think you’re the one backing off a bit now, no? I do love that you just do not know when to stop. Oh, it’s grand.	10/23/2019 0:29
@laconicways Here’s what’s gonna happen now, because I know your type so well. You’ll screen grab this and whine to crokin, and she will post it on her deranged Instagram. Your beliefs about me will heighten and the cycle continues. Do it. Fuck you. Fuck all the way off.	10/23/2019 0:25
@laconicways @CruzanChoklate so you’re calling me a pig now and not a pedophile? Just confirming. Pig is fine.	10/23/2019 0:19

@TheJoeRoy no	10/22/2019 22:03
@WelshGriffiths the standards....are low lol	10/22/2019 22:01
I know this sounds crazy, but this is actually the most rational response I've gotten from a Q person. I'm not upset by it. if you believe all this, this is a legitimate question/statement.	10/22/2019 21:59
Hi. I do not know how to tell you that I do not know the answer to this. I sit on my couch, I take care of my kids, work and I cook food. not everyone in Hollywood is some demonic warlord and not everyone has an elaborate agenda.	10/22/2019 21:48
@JemmaThinks @JackPosobiec that is quite literally all you say. all day. I see it. all day.	10/22/2019 21:19
@CEOSalesforce good one, dork	10/22/2019 21:18
I really love you guys. I am okay I swear!! There is so much good here, in you, and it is why I stay!! You are quite literally my world. Your friend Chrissy has just HAD IT UP TO HEREEEEEE today	10/22/2019 20:17

@VictoriaDahl er wanting* lksglksdjglsd	10/22/2019 20:03
@VictoriaDahl like the past 6 months or so I've been feeling so buttoned up, not wanted to talk about anything because it just makes it worse. I feel like myself again!	10/22/2019 20:01
@VictoriaDahl nah it's ok please don't be - I think I'm just venting and bringing it to light. like life is good but this is really bad, you know? I'm happy and lucky in literally every other way	10/22/2019 20:00

GLAMPS_APPLE

I can tell when people know I'm losing my mind on twitter and they casually text me funny or nice things without addressing that I'm going absolutely apeshit. I see u and I love u	10/22/2019 19:58
twitter has honestly done an awesome job with filtering and blocking or if necessary, suspending accounts. instagram is not so good. but I'm not really content anymore with just...not seeing it. I wanna see it and I want to fight this shit.	10/22/2019 19:57
imagine this, all day every day, on every platform. defending yourself, and that defense just meaning you're getting worried. this is the exact type of person I am flooded with all day, every. fucking. day. https://t.co/oJBNMZGuPS	10/22/2019 19:52
honestly you guys are so normal and rational that I know it's hard to really understand it. it's easy to say "just block and report" - I literally have to have pics of some of these people in my garage because they live nearby	10/22/2019 19:46
I saw all this KNOWING they will never be like "oh man, that Chrissy, she's a little too defensive. maybe she ISN'T a pedophile" - I know it'll get worse. I don't care anymore. I'm not tiptoeing around your delusions anymore.	10/22/2019 19:42
@fordey70 @AlexandraErin I'm honestly not positive if Q Is my boss or i am Q or they are Q	10/22/2019 19:36
I literally literally don't know what this means you absolute fucking nutcase pigfuck. What have you cracked here, sherlock	10/22/2019 19:34
@AlexandraErin and then one day I'll die, they'll say it was Q and that's my life.	10/22/2019 19:32
@CNNRGLDN Thank u so much Connor! means a lot	10/22/2019 19:31
My Snapchat emoji was a pizza. I was MOCKING THEMMMMM AHHHHHHHH!!!!	10/22/2019 19:27
@CoBeeJay_USA oh my god you've solved it! A tweet mocking a disgusting comment about a story ON SOMEONE ELSE. fucking Sherlock	10/22/2019 19:25

It blows my mind that ppl think our flight was turned around so we could be arrested (no) then when we got to HK and my card declined, I would publicly admit to looking for work because my pedo dreams were shattered. Why would I be so out about my schemes? Fucking losers good god	10/22/2019 19:22

I want to make a cookie that you soak in sweet cream right after baking, is iced and topped with salty sweet nuts and have to eat with a fork. question: is what I'm making a cake	10/22/2019 17:50

@nottaylor Maybe since I'm using them with really rich and heavier things (stews, ramens) I don't notice it. I don't think I'd ever toss them with cheese and lemon or something. But now I wanna try....	10/22/2019 17:28
I think they have fettuccini, spaghetti, a...rice shaped one. Anyhow I get them online or at Whole Foods and they may or may not change your life.	10/22/2019 17:25
I use this angel hair one under curries and in porky ramen broths. I truly love the chewy texture of it (I know that isn't normally a compliment) - the only weird part is rinsing them before using! But they're ready to heat and go after	10/22/2019 17:23

@LAMPS_APPLE

ok time to tell you about another current obsession I am NOT getting paid for....SHIRATAKE MUSHROOM NOODLES. let me be clear there is no 100% perfect carby noodle replacement (and there shouldn't be!!) but THESE ARE GREAT AND DELICIOUS IN THEIR OWN WAY https://t.co/Die4iGJb04	10/22/2019 17:21

cannot imagine sitting on the computer, jerking it to maga models, just waiting for someone, anyone to say anything, anything u can shit on. "oh shit she tweeted about tea HOW DO I MAKE THIS ABOUT TRUMP and what a fucking absolute tool I am"	10/22/2019 16:48
@diesel_fish Get help, pigshit.	10/22/2019 16:37
Anyhoo again, this is not an ad. I just can't shut up about it. If you come to my house, you are hearing about this tea. There are so many flavors and it's gotten me to drink less horrible shit!	10/22/2019 16:35
Last night I had the strawberry shortcake tea and aaaaah, so maach like. And there's a thai iced tea sprinkle tea thing by the same brand. And and and the lemon ginger. Already sweet and ready to go	10/22/2019 16:32
I can't stop telling everyone i interact with about this tea. I think maybe my mind is blown because I've always been staunchly against tea most my life. I have no stake in this and do not know the people behind it but DAMN, I love it https://t.co/PZJlECHPwC	10/22/2019 16:30
I've spent over 13 years of my life trying to bread fried chicken in varying proportions of parmesan and pork rinds, herbs and spices. when I get it to stick, this will be my legacy	10/22/2019 15:33
@sarahferg1e ooo thank you!	10/22/2019 15:30
@Victorm07997395 what is wrong with you? do you think you're being funny? is this how you wanna be online? genuinely curious why you would want to be like this. I'm in an understanding mood.	10/22/2019 15:28
I was going for less carbs, my ultimate goal always. my family holds 1 carb like everyone else holds 60	10/22/2019 15:27

@LAMPS_APPLE

@TheEllenShow @andylassner @MsSarahPaulson @ArianaGrande @ericstonestreet @iamjeanniek I don't know why, but I'm extremely protective of this experience and am really jealous of whoever gets to do it next, despite not even being the first.	10/22/2019 14:52
you guys use coconut flour? is there anything you notice a difference in or do not notice a difference in when comparing it to regular flour? some things it really works well for or some things it sucks with?	10/22/2019 14:51

what really gets me is how blown away you guys are by beats being beats and always being able to go over other beats. "it fits perfect!" like...that is a beat. it fits. it isn't magic. but you love it. so it's adorable	10/22/2019 12:29
I can't tell what song is really in the "joker" steps scene and what you've manipulated. I can't decide if I care	10/22/2019 12:25

I have a love justice yes	10/22/2019 11:40
I have a love justice. when people do wrong, I need them to know they're wrong. this isn't a good or bad thing, but it's me/. the fact I have to learn to let people get away with shit like this is insane to me. it makes me ill inside. yep, they're just crazy! don't worry bout em!	10/22/2019 11:39
it's not just weirdos in random towns. these people are all over. I hate what some people have become and what social has done for this kind of reach. it sucks. and now they'll post this too, and it'll get even worse. I'm just so fucking tired.	10/22/2019 11:36

@LAMPS_APPLE

I had a real life before this. I mean...going to the grocery store and shit, parks alone with my kids. now I have a list of people in my area who genuinely believe we are in a pedo ring that is always *ALMOST* about to be exposed	10/22/2019 11:35
if I take legal action, it gets worse because then, to them, it's true and I'm trying to "silence" them. It's on posts about anything. Random 90 days fan pages, meme accounts, anything. Even if the content is normal, the comments are....this shit.	10/22/2019 11:33
u know what is not great? I still have to read on social media many times a day that John and I are pedophiles and look at photoshopped/miscaptioned photos of us on "Epstein Island" and I just have to deal with it because "people are crazy these days"	10/22/2019 11:31
Please keep this setup, im coming over	10/21/2019 0:38
This entire thing would be a shitshow for me but really picturing the damage I'd do hopping to that red ball specifically	10/21/2019 0:35

Actually you know what? Phyllis and Bob are def still together. Dwight and Angela still together. Michael and Holly definitely together. Mathematically (i got a C+) SOMEONE here has to be divorced. It’s Jim and Pam.	10/13/2019 20:19

@almac64 yes!	10/4/2019 18:19
two, also at Westfield, we stumbled across this insane virtual reality experience thing. walked into a 2:20 showing of "alien zoo" where we pet dinosaurs, got sneezed on and got chased by a dragon. if you come across this place, GO. it is..fun black mirror https://t.co/qU5fYIKQhh	10/4/2019 18:07
one: Din Tai Fung. holy shit. amazing as everyone has been telling me. many locations. went to the one at Westfield century city. WAS A DELIGHT. the soup dumplings, of course, but also the steamed chocolate-filled dumplings for dessert. OH MAN. also the pork ribs ooooweee	10/4/2019 18:03
oh! I would like to tell you guys about 2 things. before I forget I did them...	10/4/2019 18:00

EXACTLY THIS. THANK YOU. you get it.	10/4/2019 17:22
this is important to me, yes	10/4/2019 17:20
I know they're all on Hulu! That's how I'm watching it. But I'm still insanely confused when and how these air. they need to put in the order you watch every *different* 90 days show since there are like 6 seasons of each show and some have same couples, some different.	10/4/2019 17:19
@yashar thank u!!! I'm all over the place over here	10/4/2019 17:17
in what order did TLC air all these different 90 days? I'm really having difficulty navigating people's relationships. The before, the happily ever after, the regular one. do they air these in the same season? the back and forth killing me. and some just...end. sad!!	10/4/2019 17:16

@LAMPS.APPLE

finally I sit down to watch SNL, free from the thoughts of apple picking. And what is the last sketch of the night? an entire 5 minutes of making fun of apple picking. my mouth was aghast. John couldn't believe it. I was so happy. the world...is so silly	9/30/2019 14:27
my friends said they have never seen this kind passion from me about anything. I don't know what came over me. I think I saw one picture of an apple treat and lost my mind. People were worried. it was manic-like behavior	9/30/2019 14:25
Saturday, I was obsessively talking about apple picking. I wouldn't shutup about it - brought it up in random conversations with friends that had nothing to do with apples. I was insane. Googling farms, sending links to people. begging, begging anyone to listen to me about apples	9/30/2019 14:23
@JoshCohenRadio I can't even type mine out, it's too bad	9/30/2019 13:42

Imagine eating 30 Oreos, slowly swishing them around your mouth. Reading a "found" grocery list. Calling mystery phone numbers. Reading a map. For hours. Then u read the Chris Saunt business card	9/26/2019 2:01
ate an entire box of Oreos (for research) because they sent this giant escape room-like mystery package for their mystery flavor. Little clues all over. crying that the baker left his card in the box. Chris Saunt. this is my kind of humor. Haven't laughed that hard in a long time	9/26/2019 1:59

I honestly thought it was - I have a friend who had BP and it was for months non-stop. mine comes on for a few hours, randomly. usually just half my mouth and face tingles and I do a kind of snarl-face. nothing makes it better so I just breathe and try to be normal haha	7/16/2019 23:10
that is so funny you noticed! every once in a while for no reason, I get panicky/anxious and the muscles in my or half my face get numb. I remember apologizing so much during filming this episode. it usually feels worse than it looks or sounds (not this time apparently haha)	7/16/2019 23:03

I guess my point is, as precious as they are, please don't waste time being mad about sandwiches	7/9/2019 14:58
he says in the update it was not a huge subway sub, more of a local place where the sub isn't GARGANTUAN PARTY TIME SUB. I mean I am not disputing that is a LOT of sub but it's not 12 footlong subs. perhaps 6. lol	7/9/2019 14:55
****if I am drunk enough	7/9/2019 14:52
@andrew_g_utes yeah but if you're still mad about it the next day (after you got to eat snacks and wings and didn't NOT get any food) then that anger prob isn't good for you, my dude	7/9/2019 14:51
perhaps a good ol "everyone sucks here" but I think the sub eater sucks less than the people who really still care about this sandwich the next day.	7/9/2019 14:47
everyone is destroying this guy but I can eat 2 footlongs myself. usually a meatball and a cold cut trio. & meatball is kind of heavy enough to be equal to 2 cold cuts like the sandwich portrayed here. I am going against the grain and saying NTA but a simple "anyone want some?"	7/9/2019 14:46

There's rarely any actual assholes on Reddit's "am I the asshole?" Just people seeking praise. "Am I the asshole for not wanting my child babysat by a siberian tiger?" "Am I the asshole for giving up my seat to a pregnant woman with no legs?"	6/17/2019 9:41

@numinosity @eh122_dc @yashar I get it! I do.	5/30/2019 18:17
@eh122_dc @numinosity @yashar It's a different time now. Sponsored posts from people in my feed is now an expected, given annoyance. If someone's good doesn't outweigh the annoying bad, then adios.	5/30/2019 17:07
@therealJMHL @yashar I say no to Instagram shilling ... a few times a day, every day. It needs to be a small part of a larger campaign to be considered. Then I gotta love it.	5/30/2019 16:33
@numinosity @yashar But like...celebs do hair care commercials or something on your television, or sell a makeup line, they want you to post about it. Unless you are talking about strictly Instagram stuff like tummy tea and corsets (I don't do those)	5/30/2019 16:32
@sgtwheels @yashar It's never just Instagram work. You sign up to endorse a brand and do a commercial for them and part of the deal now is always a few social posts. I do it if I love the company and also, the money?	5/30/2019 16:28
@yashar Going back and forth on email over a sentence change with a brand strategy team who then has to go back and forth with a giant company like unilever/PG is a lot sometimes. But yeah. Just a lot of cooks in the kitchen, more than people imagine.	5/30/2019 16:25
@yashar I'll never get it either. And brands do not like bending on their "suggested copy" so it's just easier to do what they say, even though it could be better 100 percent of the time. This is my life.	5/30/2019 16:21
celebrating @sesamestreet tonight!! https://t.co/5AL2jZiV6S	5/29/2019 19:20

@LAWPS_APPLE

@LeilaniMunter @johnlegend @OP_Society Honestly I'm not a stylish person. I would never wear a "look" to just showcase fur. I'm uncomfortable in it. So it really hurt that I was chosen for this by this man. He was extremely aggressive and trying to get a rise out of me. I wish you could hear what else he said.	5/3/2019 22:40
@LeilaniMunter @johnlegend @OP_Society You should have seen the other things he said. He only posted what made him look good. It was one of the most terrible run ins of my life. Now I'm scared to interact with people. I don't want to be scared. I appreciate the apology. Xx	5/3/2019 22:37
@LeilaniMunter @johnlegend @OP_Society If you just be mad at something, I eat a lot of meat. Go for it.	5/3/2019 21:47
@LeilaniMunter @johnlegend @OP_Society I borrowed a friend's fur jacket like 5 years ago to walk to a car and then the other sweater they showed was cotton. I don't even like the look of fur. You guys believe anything you read.	5/3/2019 21:44

Just an update on this Wellington: it was terrible. I forgot to sauté the mushrooms so they juiced all over the place. The bottom was crazy soggy and the oven was way off. So yeah. It looks good but it sucked. Oh well. Next time.	4/22/2019 23:46

Yeah but she at least had SOMETHING. she was kind and loving. He was...terrible?	4/22/2019 23:25
Like she stayed with him and he had ZERO redeeming qualities	4/22/2019 23:21
oh my god forgot to tell you guys I watched Leaving Las Vegas the other day for the first time. Uhhhh before I say anything can we collectively agree it's terrible or no. Like very entertaining but uhhhhh	4/22/2019 23:19
@BreeMinneapolis @shenanigrinsart It's not hard! It's fun. But so stupid. But fun!	4/22/2019 23:10
@BreeMinneapolis I didn't say it was hard. It is just weird.	4/22/2019 23:00
I'm still so excited to go to set. There are so many different things happening on the lot. Today I saw Satan smoking a juul and then a mariachi band crossed. Then a soldier eating a cheese sandwich.	4/22/2019 22:58
I wear a lot of boob tape for the show so when you spray tan, the tan darkens the silent areas where there was tape. It doesn't look like there is adhesive, but there is. Then it gets dark. And your boobs look insane.	4/22/2019 22:56
please don't tell me what I should have done. I did it. It's done.	4/22/2019 22:53
I just pumice stoned my entire body to make way for another spray tan and yeah. Don't do it.	4/22/2019 22:51

if you're supposed to put out food to lure the bunny to hide the eggs, how do we explain why we dyed them? We colored eggs for the bunny, then lured him with carrots, then he came back to grab the eggs we dyed to hide them? we've gotta simplify this it makes no sense	4/21/2019 13:02
wait what is the Easter story for kids? Why do we hide the eggs? To lure the bunny? Does the bunny hide the eggs? do you put something else out to lure the bunny to hide the eggs? who do kids think hide them? I'm so confused please hurry	4/21/2019 12:50

I just went to take a picture of her and I honestly can't find her	3/11/2019 0:04
I said "should I get two so they can have a friend?" And the lady said no, one will end up with a lot of bully scars. So any hamster tips are welcome	3/11/2019 0:02
They also said "don't really touch her for a week. Then touch her a lot or she'll bite you" it's very confusing, being a hamster mom	3/11/2019 0:00
They told us we can feed her anything. My mom said "rice?" And they go "no, not rice"	3/10/2019 23:58
she won't come out from her paper dust crap stuff but she is super cute	3/10/2019 23:56

@Wale these people haven't had good pho as good ramen is more readily available	2/18/2019 20:49
Then I choose ramen. So weird. But at its best, there is nothing like a piping hot bowl of pho	2/18/2019 20:39
I am going GREAT PHO	2/18/2019 20:34
Wale, this is very hard. I need more details. Are you hungover? Lunch, dinner? Are we comparing the best pho to the best ramen? I LOVE pho but I feel like bad pho is worse than bad ramen.	2/18/2019 20:28
@Mickxxix lmao	2/18/2019 18:39
In San Francisco! Been too long!	2/18/2019 18:39

@LAMPS_APPLE

I can't say if we won or lost family feud but we definitely brought a flask, I definitely chipped a tooth and there was definitely a record set https://t.co/RKofnit2jj	2/18/2019 18:36
an update https://t.co/v8JIADu1Zb	2/18/2019 2:09
you guys gotta be crazy for thinking totinos would approve an ad saying "I don't want good pizza, I want totinos"	2/18/2019 2:04
https://t.co/VYeiQ8ddpj	2/18/2019 1:35
@DaveBngDave That's how hyped I was though. I couldn't wait to read the B A G	2/18/2019 1:31
he is now claiming he truly never know they made pizzas	2/18/2019 1:30
"nah babe they should def be on a baking sheet" oh ya think??? I no know how to cook pizza rolls	2/18/2019 1:28
u know when you start a story and you're like this is gonna be great. but then it just doesn't translate well	2/18/2019 1:24
I am blown away he indulged this conversation, thinking I was talking about rolls. it's like when michael Scott was like wow Oscar thinks so little of me when he accepted his horrid gift	2/18/2019 1:22
and that I would want tiny slices of fresh tomato on a god damn singular pizza roll	2/18/2019 1:20
it's pizza rolls. he has no idea totino's makes pizza. but more importantly he thinks I am so stupid I would think tiny pizza rolls go directly onto the rack	2/18/2019 1:19
we get the notification. John yells "it is herrrrrre!!" Like Oprah	2/18/2019 1:18
we talk about my childhood a bit. How this pizza shaped my life no big deal	2/18/2019 1:17
pizza still 20 minutes out, he goes "do you want the tomato on top of it" and I was like no idiot under it yes it goes on top	2/18/2019 1:16
For 30 minutes we have been discussing how to ensure crispness. I say it needs to be on the rack. He says no it has to go on a pan. The pizza is merely en route and I'm so madly excited about it that we are discussing how to handle its arrival	2/18/2019 1:14
so we postmate some	2/18/2019 1:12
He said "how many boxes do you want" and I said first of all loser it's in a bag now	2/18/2019 1:11
I am having a totino's craving. I don't want a great pizza. I want a pizza from my childhood, with sliced fresh tomatoes on top	2/18/2019 1:10
I told john I wouldn't tweet this but I lied here goes	2/18/2019 1:09
@facetuneapp @jameelajamil wow i missed trump's "haters and losers" well wishes thank u for filling this void	2/18/2019 0:41

I did but I didn't get a sticker because it was by mail. Needless to say I am not thrilled and am feeling rather left out. Please kamala, I beg you to make sure all future voters get a sticker so no one else has to feel what I'm feeling, right now	11/6/2018 14:28
@walterowensgrpa Walter while I disagree, I respect u as a patriot.	11/6/2018 11:34

@NikkiLM4 it was completely my bad - I should have known better!! I think it's great for people to see how many people react positively to him so they know the dire need to get out there and vote. didn't mean to send any crazies!!	11/4/2018 22:38
@NikkiLM4 I'll delete since so many people are taking it the wrong way, I apologize! my fault. <3	11/4/2018 22:33

@LAMPS_APPLE

hi - I think it's awesome you're going to vote individually on issues in the way you believe. that's awesome. I'm going to vote blue because I disagree, across the board, with everything happening in this current administration and I believe too many republicans stand with trump.	11/4/2018 20:31
@jessicadbarlow I'm a democrat for a reason. I have democratic political beliefs.	11/4/2018 19:17
oh I know. I can take it. this is important.	11/4/2018 19:05
hell yes they are, I see it all day every day. we can do this. VOTE BLUE.	11/4/2018 19:02
I could be more specific but that's the gist of it. <3	11/4/2018 19:01
VOTE BLUE.	11/4/2018 18:59
...and if you THINK we've got this election, we DON'T. we need you guys so badly. it doesn't mean shit that everyone around you "hates Trump" so it's "all good". I see a LOTTTTTTT of both sides on this godforsaken, beautiful twitter app I love so much	11/4/2018 18:58
@jaxsteriii @army11bWidow @Bonnie_Cook sometimes*	11/4/2018 18:45
@jaxsteriii @army11bWidow @Bonnie_Cook it's confusing because somethings saying "yes" to certain props means you *don't* agree with an issue. that has been confusing for a lot of people, and that's fair. I guess in an ideal world, no one would be confused, ever.	11/4/2018 18:41
@nitsirk1971 @Bonnie_Cook I dont even know how old John is or luna's shoe size	11/4/2018 18:36
please don’t NOT vote because it’s “too confusing” - I DEF KNOW IT CAN BE DAUNTING BUT YOU GOT THIS!! I promise you will be so proud. My friend @Bonnie_Cook created this incredible app that breaks down all you need to know for the issues in YOUR area!!	11/4/2018 18:25

SIMMER IS AN ACT OF WHAT THE WATER IS DOING, LITTLE POPS OF BUBBLES, NOT A LOW, HOT TEMPERATURE and John will NEVER stop arguing with me about this!!! https://t.co/uzdKIaCSyt	10/3/2018 12:52

Anyhow I wish more happened but no. I was just a jealous, angry 22 year old. I'm better now. BUT DONT TEST ME	7/30/2018 3:24
A few more shoulder touches and laughs with her later, I lost it. Anger turned to sobbing turned to fleeing the set and getting a hotel room. The director (ALAN FERGUSON!) was baffled. Everyone was.	7/30/2018 3:21
He probably laughed at something she said. And in my mind it was some GRAND conversation I was conjuring up. They were probably just talking about craft services honestly but in my mind she was like "hey we should bone" and he was like "haha fuck yeah!"	7/30/2018 3:13
Keep in mind john and I met on a video. I was that girl! I know how this shit works!	7/30/2018 3:08

@LAMPS_APPLE

I was watching the monitor with all the guys and someone, I can't remember who, said, "ooooooo look at that girl with john ooooooooo!" so I watched the monitor like a psychotic (tarantula) hawk and in my mind, oh he was in trouble	7/30/2018 3:07
...and they were! But in my mind they not only were talking about it, they were talking about it on purpose to rile me up. Looking back and knowing how well I know them now, THEY WERE DEFINITELY RILING ME UP AND GETTING A KICK OUT OF IT	7/30/2018 3:03
it began with our friends (john's managers and co-writers and a couple others) talking about how BEAAAAAAUUUUTIFUL some of the women were...	7/30/2018 3:02

I have begged, begged him to tell me my breath stinks. For 12 years. And he always said no. He says it’s truly just the first time it has ever stunk to him. He can smell garlic when I speak, from feet away. 3 feet away. It’s wonderful. I’m so happy.	7/28/2018 12:35
@WaldoWilbur It is pure, raw garlic. Like 12 cloves, chopped and on a salad.	7/28/2018 12:27

Anyhow bug and i are friends now. And perhaps with time, lovers.	7/26/2018 11:01
Unconfirmed. Twitter followers say tarantula hawk wasp (how a thousand people "know" of this bug, I do not know) and actual entomologists are divided (no actual entomologist says tarantula hawk wasp) - either way, it was a um..ballsy move. I blame the heat AND MY WARM, KIND HEART https://t.co/X8LPfNvQjM	7/26/2018 10:58
why was I never blessed for casting notices for shit like this https://t.co/4Cd0EyuUId	7/26/2018 10:53
I put it down gently and he crawled right back. maybe it was my reincarnated relative. Or puddy the bulldog. Either way, everyone is okay and the world continues to turn.	7/26/2018 10:49
Oh dear here comes the fun..okay should I not hold potentially deadly creatures? no. should I do it around my daughter? Super no. But it crawled on me and seemed injured and well, not angry, not scary. And I'm normally super freaked (remember house centipede??)	7/26/2018 10:44

@kixxonlee @irenicpoet @ebysta @_melp0mene I am a shit ton of things. I can be annoying to people, petty, ugly, overrated. But I am empathetic and kind and a good person. I don't like having to fight that. I can take anything else. I've heard it all for many years.	6/7/2018 12:53
@kixxonlee @irenicpoet @ebysta @_melp0mene Kanye supports him. And we were very vocal about challenging that. To his face. Why does everything have to be on Twitter for you to believe it?	6/7/2018 12:51
@kixxonlee @irenicpoet @ebysta @_melp0mene Twitter is for chirping. It is literally for that. I can start being more vocal about my charitable endeavors? @CalCoachG @SouthwestAir airlines have asked this of me, too, with my daughter. once I learned it's a precaution for the very real threat of child trafficking, I stopped being exasperated with it. Now I'm kind of worried when they don't ask.	5/29/2018 15:32

@ECittadino @DrJenGunter @MomsThoughts @science_barbie Nooo I don't mean no bones in the actual broth, just the mere words "bone broth" VS "broth" oh my god this is the longest convo about broth	5/28/2018 16:35
@CryptoDavid23 @shutupmallory @StJamesStJames That's cute you think writing is so hard that it just can't be true.	5/28/2018 16:33
@ECittadino @DrJenGunter @MomsThoughts @science_barbie agree on stock and broth! but is it possssssible BONE broth is different from broth/stock? I know the answer already. it's no. I've been wasting money.	5/28/2018 15:20
@lingerie_addict @DrJenGunter @science_barbie this sounds right haha	5/28/2018 14:59

@sdurham1979 @DrJenGunter @science_barbie homemade is definitely different than my Swanson boxes! but nottttt different enough after I season a soup that I end up caring in the end! I have to post this insane bone broth recipe I got from Bali (I KNOW THIS SOUNDS SO LAME) - but it isn't just bones, it's actually good	5/28/2018 14:49
@DrJenGunter @science_barbie if you were to refrigerate good, quality bone broth, you would have an inch-thick layer of fat all along the top. refrigerate stock or broth and it looks the same. this is as far as my broth knowledge goes!! perhaps im making myself feel better for paying way more haha	5/28/2018 14:43

@LAMPS_APPLE

@DrJenGunter @science_barbie pretentious bone brother tweet, incoming. bone broth from good places is usually super babied/roasted/simmered for hours & hours, days even. the gelatin from the marrow and bones are visible and delicious and deep and rich. stock is strained and garbage and might as well be water	5/28/2018 14:41
@ReaganGomez *avoids eye contact*	5/28/2018 14:08
https://t.co/d1uz9Scwyo	5/28/2018 14:07
@DrJenGunter I feel like stock isn't as hearty? I think of stock as thin and uninteresting, but bone broth is slightly thicker and fattier with marrow. More dimension?	5/28/2018 13:57
I honestly don't even wanna be unblocked. https://t.co/6ZNtZgp3Wp	5/28/2018 12:06

I think the doc said there are THREE beds in the entire state of Washington. Kids who need to stay a year are kicked out after 6 months to make room for the next. Why do we not want to put any funding into this?	5/27/2018 15:03
These kids grow up. They deserve better lives, not lives tortured by their own thoughts. Obviously most do not become dangerous adults but some do. We don't help them in America. The parents are totally lost and don't know what to do.	5/27/2018 15:00
"A Dangerous Son" on HBOgo is so sad. Sad for both the parents and the kids. There are barely any mental health institutions or facilities with available beds for kids with severe psychiatric disorders. The anger and rage and scared children and siblings and parents...it's so sad	5/27/2018 14:58
@ArielSmithFilm @Natureroots72 @JustJem24 You REALLY think this wouldn't have happened with the popcorn gif? Because it would have.	5/27/2018 14:39
@heyjdey I swear to god that is exactly what I meant by it. (And now everyone saying I'm backtracking) Because any time kim goes on a spree, it's bound to be big and it doesn't happen often. I was like oh shit what's going downnnnn and I didn't mean to somehow make light of it all.	5/27/2018 14:30

I cannot believe Miles isn't even supposed to be out of my belly yet. His due date was June 6th! You guys thought I was pregnant forever before....	5/27/2018 14:24
@Natureroots72 @JustJem24 Yes but it means I am watching the drama, that is how it is used. You guys really wanna think people have the worst intentions. It was tagged to both of them. I've been kicked out the studio. That's all. Everyone reading so deep	5/27/2018 14:22
@heyjdey This is very accurate. I should have stayed out of it. I really just thought it would come off like I was watching the drama and I've also been kicked out the studio. I didn't know how deep it would go.	5/27/2018 14:16
@JustJem24 I posted a gif of me watching the drama (tagged to both kim and rhymefest). People took it as me laughing at underprivileged Chicago youth because ???	5/27/2018 14:09

Access. It is quite the conundrum. Be able to be in the same room as someone as fragile as our man child leader OR call him out on his shit and never be invited back. The problem stems from the fact our president is an adult baby with a constant wet poo in his pants. https://t.co/koqVgHCox7	5/26/2018 12:23

@chelsord Sausage.	4/20/2018 20:28
@darth I now realize the importance of sharp or extra sharp cheddar. As a plain cheese cube eater, I never cared before. But sharp is v necessary. It needs to show up the rice. Stand out. Do jazz hands, you know?	4/20/2018 20:23
Last day to make annnnny changes to cookbook before print!! This one was haunting me. I had to remake one last time. IS IT AWESOME EVEN IF IT IS VEGETARIAN? Yes. It is. Cheddar rice with broccoli and mushrooms in tomato bowls - you have passed the test. Welcome to the book. https://t.co/GhV9lKREh5	4/20/2018 19:20

@EbtheCeleb @LisKis93 @DocMouseBish2U What to expect, yes* god this was full of errors	4/20/2018 13:08

@LAMPS.APPLE

@EbtheCeleb @LisKis93 @DocMouseBish2U Yes*. But yeah some people have reputations for consistently sucking. They're allowed to just enjoy the art/music making aspect of their careers and not the fame. And you're allowed to think they're rude.	4/20/2018 11:36
@EbtheCeleb @LisKis93 @DocMouseBish2U I think celebrities know what the expect yet but people also have shitty days and it sucks when you've been nice to 100 people all day then one gets your "sorry no" and that's their *only* experience with you so you seem like an asshole	4/20/2018 11:33
@EmilyHartmann31 @SarahKSilverman @pattonoswalt @JodyneL @LauraJSilverman @johnlegend He was like "have you seen any films here yet" and I was like "no I hate movies" because I was nervous and didn't know what to say. It was at Sundance lollll	4/20/2018 11:28

@BrunetteGiant @pursuingpages So don't get mad at the men with opinions either. Maybe the lesson here is do what you want no matter what people think, and people are allowed to not like things without outrage. Men and women. Let's reserve our anger for things that matter 👍	4/20/2018 11:22

this is gonna upset a lot of sandal Twitter but I gotta say that even a perfectly manicured foot looks bad in a man sandal. It's not their fault they can't win. It's a tragedy. But please, wear them, who cares what looks good!! https://t.co/oHcm3SSsNz	4/19/2018 13:56
😫🤣 https://t.co/16EI4NiePM	4/19/2018 13:51

@Bill_TPA what does that have to do with my marketplace	4/19/2018 1:59
I vaguely remember these concepts. I remember the faeries. The paintbrushes. The guilds, kind of. But only specks of them. Father Time has stolen my youthful memories of neopia and instead replaced these innocent times with tattered images of a world once simple and kind, (1/59)	4/19/2018 1:56
oh my god neopets has not changed a bit. the omelette...is still cooking	4/19/2018 1:36
I was a comment board moderator. I won multiple caption contests. I've basically been told to barely move and let my baby grow so fuck it, I'm going back on neopets	4/19/2018 1:33

@3STJAMES @FoxNews your lord and savior Fox News	4/1/2018 14:30
@kyright @FoxNews I know a lot of people probably avoid talking to you, but for me, the person who asked the question cares. The interviewer. It's not that complicated.	4/1/2018 14:29
@LizRabban @onlxn But yeah! Great show! Much LOL!!!!	4/1/2018 3:34
@LizRabban @onlxn So yeah. That's why I don't give a fuck about the Roseanne thinkpieces. I'm busy trying to make sure my family isn't "saved" from me by some fucking pizzagate rambo savior right wing nut thinking I'm trafficking my own fucking kid.	4/1/2018 3:33
@LizRabban @onlxn I don't know what to do anymore. I bob between wanting to scream from the rooftops that this is happening but not wanting to draw attention to it. It is such a horrible word to be associated with. I cannot believe I got dragged into this. It is surreal.	4/1/2018 3:30
@Brandon_Bird @onlxn I have a hard time thinking of anything worse to have to defend. These people are really, really dangerous. And when I block, they take it as a confirmation that they discovered the truth. I can't get away from it.	4/1/2018 3:25
@Brandon_Bird @onlxn I've looked into what I can do legally. Basically, it would involve years of being deposed only to end with freedom of speech bullshit on their part. And my name even more publicly being tied to the word "pedophilia" which yeah, isn't great.	4/1/2018 3:24
@onlxn The fact this woman is now seen as some television hero for bridging the divide (families! They're like this! Different views! Yay!" - it makes me sick. It makes my heart hurt. These people are batshit. It isn't silly banter. This. Is why I can't watch. Thank you for sharing. Xx	4/1/2018 3:18
@onlxn I read that my pizza emoji on Snapchat is my own little secret (not so secret?) way of confirming my connection to pizzagate. That my daughter's Halloween costume of Alice in wonderland is about...a white rabbit??	4/1/2018 3:15
@onlxn I sit with my daughter, pregnant again, and scroll through my feed as she plays innocently and am reading that the government "froze my assets" and the reason my plane to Tokyo turned around was because trump was having me arrested for child trafficking. It is INSANITY.	4/1/2018 3:13

@LAWPS_APPLE

@onlxn *THIS* is why I cannot watch this show. “Who cares what some HOLLYWOOD libtard watches??” Is the question i got a million times over. I didn’t say anyone cared. I answered a question asked to me, and this is why. This is personal. It affects my family and weighs on me daily.	4/1/2018 3:12
@CMMQ26 @2kzperez "you watched him get made fun of" means I like him? what an idiot.	3/31/2018 13:38
Fox News shouldn’t even be allowed to tag people in tweets. It just opens you up to a day of rabid, emoji loving, freakish-bio-having creatures. Luckily through the years, I have gained knowledge of both their feeding times and nocturnal cycles and know when I can return.	3/31/2018 12:21

I always think that one day, I will probably give being a vegetarian a try. The thing that would stop me? I *never* want to feel as entitled and judgmental as the ones losing their minds in my mentions.	3/29/2018 9:22

Surely this is a game they play and it is being played solely to drive me insane. What reasoning is behind purposeful spelling errors!? WHAT REASONING!!!?!?!?)!9:&:9:@:$:!.7/02@-'nhzisisislpah hdmisusyhnodo	3/21/2018 9:15

@LAMPS_APPLE

I don’t even think spelling errors are a big deal. But you are the president. The president’s children. No proofreading? My phone won’t even LET me spell most words that way. It fascinates me. It’s 6am.	3/21/2018 9:11
It fascinates me that this family makes so many spelling errors, knowing their tweets are seen by the entire world. It is hard to make errors like this without it self-correcting. It has to be on purpose. But why? To make the people who call it out seem petty? I need to know. https://t.co/Upq89xTxCd	3/21/2018 9:09

@bdomenech You can tell a lot about a person by the people who defend them. Looking at the spread you have for followers in this thread, I think I’ll save my sanity by disengaging.	2/13/2018 4:10
@bdomenech Just because some words or some terms are confusing to you, doesn’t mean they don’t exist. It was a mistake and a simple acknowledgment of that rather than pretending to get death threats or calling it the end of civilization would have been the end of it.	2/13/2018 4:05
@bdomenech Do you find nothing wrong with a NYT journalist calling a woman born in the United States an immigrant and dedicating 3 tweets to defending it? If she were blonde with parents born in Germany, would she have said this?	2/13/2018 4:02

It's called perpetual otherism or perpetual foreigner syndrome. No one is ashamed of the word immigrant but it's tiring being treated as foreigners all the time. You made a mistake. It's okay. @roqchams I have met a few talking heads from Fox News. Most know their role and sold their soul.	1/12/2018 15:49
I don't believe you really believe all the things you say. You found an opening in the racist, hateful marketplace and secured it. But when you're old, you will not be proud of the life you lived. Of anger and hate. Pandering to the angry and hateful. It really is a shame. https://t.co/py7rt7qQRv	1/12/2018 15:46
#CRAVINGS2 https://t.co/ioNzs0tGdB	1/12/2018 14:47
@iamarmedwithkn4 That's a good question. I don't love it, because I know the reasoning behind it is usually to make me sound less-than or stupid. Especially since it's not even my job anymore. All it does is open me up to 1000 ppl critiquing my face, no matter the story.	1/12/2018 12:04
@stoneguy141 That uhhhh, does not make it a shithole.	1/12/2018 6:05

@ThorErnstsson yeah I don't work out I'm not strong enough to waste these guns on crumbling	1/2/2018 19:44
@ijustine I really appreciate it. I have a lot of fault for turning it into so many in the first place. it's been a really shitty twitter week for me. we both come from a good place. xx	1/2/2018 19:04
@Courtress723 it basically is.	1/2/2018 18:58
@jseedat95 @ijustine @YouTube @LoganPaul there are *many* horrible things happening in this world. luckily we can multitask.	1/2/2018 18:55
table salt (like Morton's) is too strong for cooking, for me at least. it's ok for seasoning a plate after I suppose. Maldon is great for flakes on a steak or something. But Diamond Crystal is forgiving and flavorful and perfect. Love it. https://t.co/de2qxoRsPw	1/2/2018 18:53

@LAMBS_APPLE

@AshleyEsqueda @ijustine I was only passionate about engaging/conversing with her because I respect her and many other people do! important to be able to talk things out to reach an understanding. not everyone looks at things with the same eyes as anyone else and that is ok. xx	1/2/2018 18:46
diamond crystal kosher salt is the best salt in all the land. I use nothing else! get on amazon prime woop #notanad just love salt https://t.co/bnCWnR6bdu	1/2/2018 18:35
@ijustine thank you, really. it is horrible.	1/2/2018 18:24
I always think this. N E V E R! life's too good. https://t.co/cCbtkNdDxp	1/2/2018 17:58
@ijustine it's not a comparison because I am making a larger point about society. I am not comparing which one is worse. I'm talking about a large societal trend.	1/2/2018 17:43
@mazd0g @Gilsenan0633 @bradleytraynor @karentrudeau how is it possible to play a game of telephone on a platform where literally everything is written out.	1/2/2018 17:36
@starnaylord @ijustine I've been private. Thanks.	1/2/2018 17:15
@JadeWirth Yes!!	1/2/2018 17:01
@classicryan17 @ChelseaClinton @Hooters @ChurchofSatan I am crumbling from laughter	1/2/2018 17:00
@mazd0g @bradleytraynor @karentrudeau This did cross my mind. Ironically in this situation, mob mentalities can also lead to suicide. The only way to "win" here is to all try to be better.	1/2/2018 16:44
@Charlistar @deray Whoa! Chrissy Teigen fucking loves you!	1/2/2018 16:42
@_kristineanne Making it now!	1/2/2018 16:41
@KatelyNoland Let me know which one and if it works!	1/2/2018 16:23
@ajkrowling Well said. Wish I could be so eloquent!	1/2/2018 16:20
@itslouisedunbar Agree. I hate that I used this guy in my case for internet shaming and mob mentalities and bigger issues of social justice. Now it seems like I really cape for this guy whose name I've never uttered before today. That was my mistake. He did a horrible thing. A stupid thing.	1/2/2018 16:19
Ohhhh you're right. How on earth did you know this https://t.co/3JVEzwNHTR	1/2/2018 15:57

@LAMPS_APPLE

@Hooters @Bev_Didier @roguehooters @ChelseaClinton @Twitter what. is. happening. hi hooters!	1/2/2018 15:20
@DrGMLaTulippe @jonronson done!	1/2/2018 15:12
so many people telling me to read this and I'm positive it was sent to me. definitely excited to read it! https://t.co/CPhzTTsGqz	1/2/2018 15:09
@Lewis5649 selfish gain.	1/2/2018 12:54
@TooFab @LoganPaul it was private from pizzagate and this wording is leading people to believe I am defending him. not cool.	1/2/2018 12:51
@AM2DM it's happening	1/2/2018 12:44
@Stasipoo @YouTube I care a lot. I don't like being misunderstood or disliked. probably why I should not be on here.	1/2/2018 12:36
@RElNlER @karaleiiigh @beccaa_sharp exactly.	1/2/2018 12:34
@bradleytraynor @karentrudeau twitter being angry CAN equate to ruining lives. for instance the thousands of people who have accused me of pizzagate pedophilia. that will forever be attached to my name, future searches, my life. that, to me, ruins my life.	1/2/2018 12:29
@Stasipoo @YouTube and if history proves anything, for the next few years I will get "I was a fan of her until she defended Logan Paul" which is untrue, out of context and unfair but such is life and the twitter.	1/2/2018 12:21
@deray I had to look at the date this was sent. Thank god, I needed this	1/2/2018 12:05
@llmac77 That's horrible.	1/2/2018 12:03
@karentrudeau @morenalvna @devilette Guys. I can feel the condescension here. But thanks.	1/2/2018 11:48
@devilette @morenalvna @karentrudeau Lol no idea where I said be cautious of little Logan's feelings. Am I living in bizarro world?	1/2/2018 11:45
@Crutnacker Definitely. Not watching will inevitably lead to a "loss" of his career that was based of social media in the first place. I am for this, I just think people could ease up on the "ruining lives" part.	1/2/2018 11:41
@Utter_Dil_Emma @jonronson Oh man. Does it include Justine Sacco? Remember waiting for her to land?	1/2/2018 11:37
@tumblrrxview Too much.	1/2/2018 11:34
@DohaMadani @SamWritesPlays Everyone loves the cacio e pepe or the prosciutto stuffed chicken breast!	1/2/2018 11:34
@travxmichael I cannot cancel something I never subscribed to but yeah i will continue to not subscribe	1/2/2018 11:33

@LAMPS_APPLE

@PiaWied @CarlaRae25 @sivgreyson I agree. Youtube should make a statement and condemn the actions of one of their most popular users.	1/2/2018 11:29
@chisportsguy41 Pew-dee-pie?	1/2/2018 11:27
@CayMaryFit Yeah that was gross.	1/2/2018 11:23
@originalspin @christinelu He definitely did not want to bring awareness to suicide prevention. He wanted clicks and likes and shock factor. It was calculated and obviously he had no clue how *stupid* it was	1/2/2018 11:22
@originalspin @christinelu Jeff, I am definitely *not* seeing a “push to get Logan to honestly reflect on his actions” - you know how Twitter works. And agree on last part.	1/2/2018 11:18
@JanesGuide Thank you for seeing the difficulty. It’s a rough ride, this twitter thing.	1/2/2018 11:15
Pewdiepie? What is this word. What is this world. https://t.co/sTBurfQ2Kn	1/2/2018 11:14
@karmantou I didn’t. Say. I wasn’t. Offended. I said we need to stop watching.	1/2/2018 11:01
I’m not concerned about his personal well being at all. I think this is a longer conversation about...and I hate this phrasing but...us as a society. https://t.co/EK8VBN6fa0	1/2/2018 10:59
@gr_c_b And that’s fine. I don’t expect everyone to get it. I was just genuinely curious about other people’s rationale and thoughts.	1/2/2018 10:57
@BravoHashtags That is literally ethics. And I’m not telling you to forgive him.	1/2/2018 10:53
@SlayyyHuntyy It’s what us old people say	1/2/2018 10:52
@beccaa_sharp With 9.5 million followers, I can very clearly see many people who want him ruined. We have very different vantage points.	1/2/2018 10:48
I can’t believe I even just wrote this dude’s name. I’m 32.	1/2/2018 10:46
@tasyasabrina23 You are completely allowed to hate him. I’m not saying you can’t. But how long can we try to ruin somebody for?	1/2/2018 10:45
I think I’m talking to the wrong audience here. Not many of you guys will ever understand the campaign to END YOU...some of you are the enders and there is no conversation allowed (which I now clearly see) - point taken back to black mirror	1/2/2018 10:44
no I took a step back so I would seem smaller. this was purely a simple and selfish move on my part but the discourse here is fantastic https://t.co/iN39XiU3P2	9/16/2017 17:14
